Hi From Alicia (alicia@willbartz.com)

Hi I am here to talk to you about youth group and the other events. I can't wait. We are going to go on a white water rafting trip in May (maybe) but to get a discount from the youth group you need to help out with the car wash later. It cost \$100 per person to get a lodging and to get a raft. That is why we need some help.

There is one thing that is bugging me. We aren't inviting anyone new to T.A.C, Youth Group or other events. We need some new people so we can grow. There are some churches who want to have a lock in with us. We are going to have one in our church or at the church that had the idea. We have gone to other churches and we've had tons of fun.

:^)(so Happy) Mom P is excited to do all the events we have planned . We will fill you in as we go along. If you have any questions contact me at the email address above by the title.

Pancake Breakfast

On February 20th we had 6 youth show up to prepare and serve breakfast to 60 people. This was our largest group yet! So please consider being a part of this activity. We made about \$90 over the cost of food this month. The charity we will donate to has yet to be decided. If you have any ideas let us know!

Spaghetti Supper

The youth group will stay to help clean up from 7-8 pm

This is a fund raiser held to raise money for the scholarship fund for the Early Learning Center.

We thank all of you ahead of time for helping serve the Lord in such a special way.

Puppet Ministry

On February 26th as part of the entertainment for the spaghetti supper will present the puppet ministry for the first time. This is very exciting! We have been practicing twice a week for the last several weeks. Please tell your families and friends. If you would like to join this ministry team it is never too late! Come and see the fun.

Those that are participating need to arrive by 4:00. We will be practicing!

Chrysalis

Chrysalis is a non-denominational world wide Christian organization that uses retreats, gatherings and small groups to help youth grow in their Christian faith. Chrysalis is open to high school freshmen(second semester), sophomores, juniors, and seniors, as well as younger college students, of any denomination.

For those of you we have spoken to we need your forms back soon. The girls weekend is from March 11-13. Boys weekend is April 1-3.

Call or email Sharon and Don for more information. You can also copy the needed forms from their website- www.flywithchrist.org

Monthly Praise Service

On Sunday, February 27 the praise band will be playing at the 10:30 church service. Starting in February this will be a Youth Sunday. We would like all youth group participants to join in this joyful and meaningful service. To encourage you to show up we are offering lunch and ice cream following the service. This time will be used as a monthly youth meeting to plan and organize future activities. We could even use this time to plan an activity or sporting event. The weather will be warming soon and we have field available at the nearby elementary school. **You will be the ones to decide!**

See you on Sunday!!!
